CZAR'S SON? — A former Central Intelligence Agency officer declared that Col. Michael Goleniewski, above, is really the Grand Duke Alexei, only son of the late Czar Nicholas II. Goleniewski, a former Polish spy, defected to the West in 1960 and has been living incognito on Long Island, N.Y. He says he'll claim a \$400 million fortune deposited by the czar in Western banks nearly 50 years ago.
